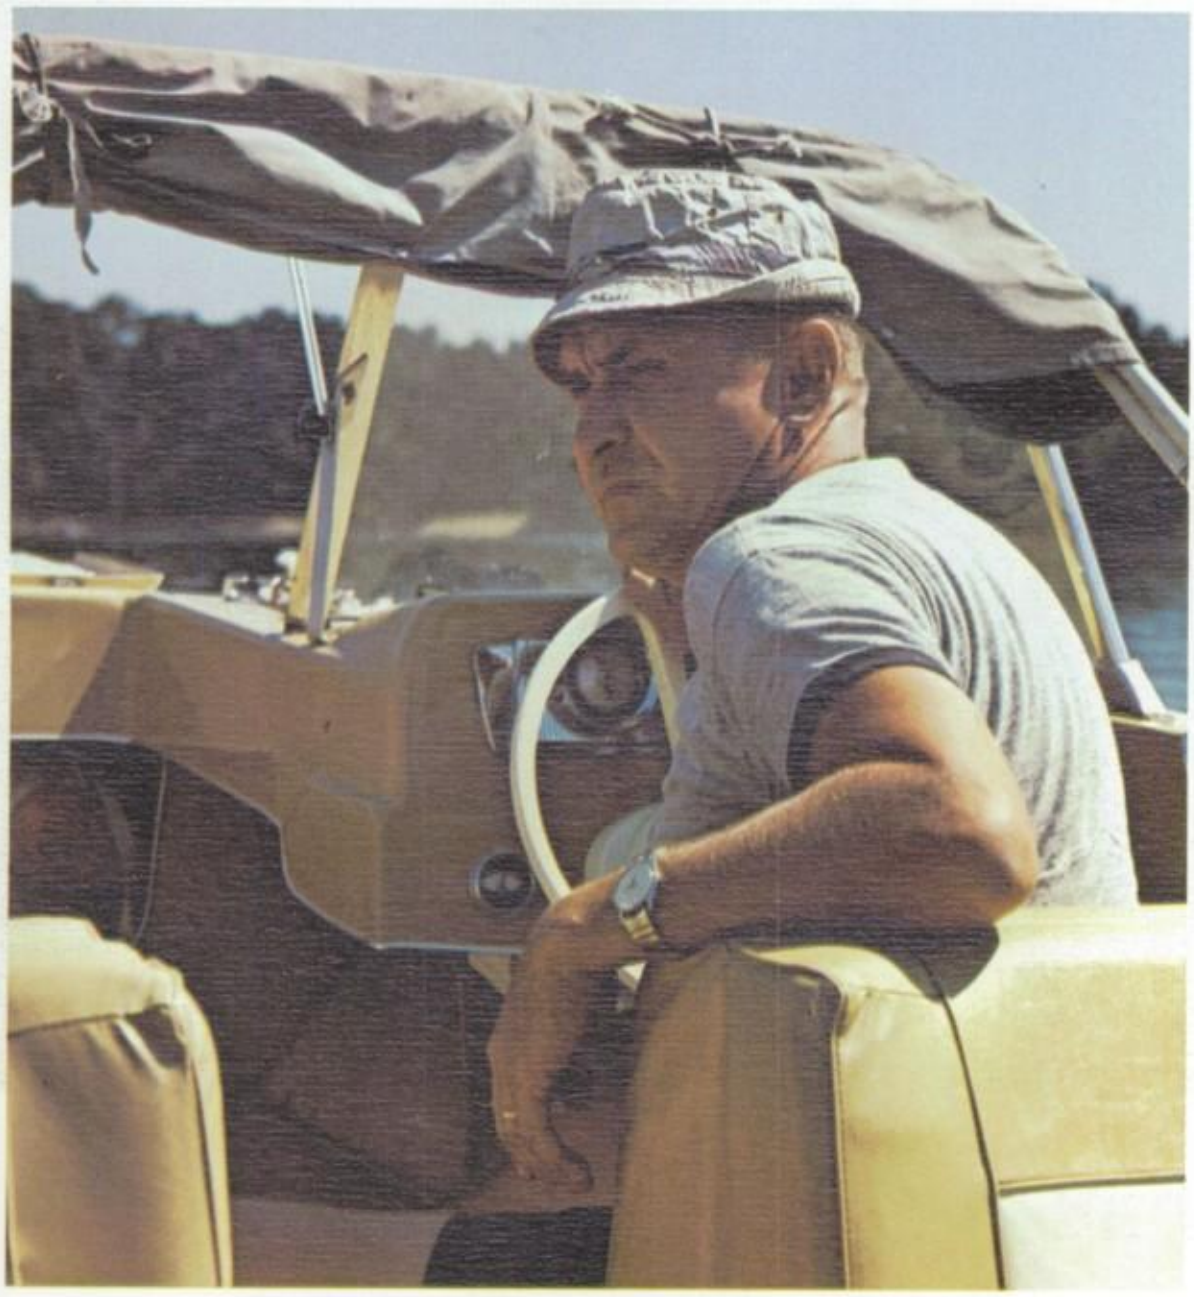
mr. harry e. hall



You didn't find me, I was already here. You didn't create me, that was done in heaven. Ah, but guide me you did.

For in you I recognized a man who selected the vocation of teaching because of a desire to associate with teenagers. I saw someone to whom teaching meant not merely a living — but a way of life; someone to whom my guidance was not a chore — but a challenge.

Your personality had many facets. Your humor was alive, bright and spontaneous; it jabbed but never hurt. In your anger, however, you were stern and certain. I didn't like it — who likes anger — but I couldn't question it, for you were fair and right. You spoke with integrity, impartiality and assurance; or you didn't speak. Your teaching consequently transferred the roadmaps from the books and implanted them in my mind to keep for another day. Yes, the messages were received, not dropped by the wayside.

As a member of Perry's initial faculty in 1956, you, Mr. Hall, helped establish the philosophy and principles that have made Perry, my alma mater, great. Not only in the classroom but also through the audio-visual department, you have continued to inspire and train Perryites like me. Long after my diploma is stacked in the corner with other paraphernalia of my education, I know that I, as well as other former students who have crossed your path, can return to you, Mr. Hall, for guidance, encouragement and friendship, for you really care.

administration works as team

Mr. Beatty and Mr. Johnson make up the administrative team that is largely responsible for the total student life at Perry High School. It is their cooperation and sharing of responsibilities that makes the office run smoothly.

Mr. Beatty's vim, vigor, and enthusiasm is contrasted by Mr. Johnson's cool-mindedness. Put them together and you have an unbeatable combination.

For the past four years, they've been helping Perry High School to achieve higher standards.

We of Perry say, "Thanks!" to both of these men.

BOARD OF EDUCATION — Mr. Arthur James, Mr. Charles Dougherty, Mr. Robert Netzley, President, Mr. Austin Lloyd, Mr. George Anderson.

Making sure the students of Perry High School receive the best education with qualified teachers and equipment, the Perry Board of Education spends long hours to obtain these goals.

This year's accomplishments included the promoting of the school levy, the building of the new T. C. Knapp Elementary School, approving new up-to-date materials for better methods of teaching, and the establishing of a kindergarten. These interested and dedicated citizens deserve our thanks for all the many hours of work that they contribute for the school and community.

Variety is the word to describe the faculty at Perry High School. It is made up of the younger and the older, with different backgrounds and different ways of thinking. The common denominator is their interest in the development of young people through education. It is around these dedicated men and women that this High school functions.

Because of the size of Perry, there are many jobs done every day that go unnoticed. People who perform these services do not always receive the credit they deserve.

Custodians are kept busy providing services to keep the building looking its best.

Every school day is begun with school buses driving students to school. Bus drivers, with their friendly attitudes, help start the school day right.

Cafeteria workers perform another necessary service daily for the student body. Each day finds these employees busily preparing meals for the faculty and students.

Custodians, bus drivers, and cafeteria workers are a vital reason why Perry continues to be an outstanding school.

The Photogenic contest is sponsored by the yearbook. The teens on these four pages have been recognized as the most attractive at Perry High School.

This year, the final judging was done by Mr. David Canary.

Dave Canary's story is one of a local boy who has made it big in Hollywood. He is a 1955 graduate of Massillon's Washington High School, where he was active in football; then he received a B.A. degree in voice from the University of Cincinnatti.

During his college years, Mr. Canary acted in various summer stock playhouses and later joined Broadway. From Broadway he traveled to Hollywood where he regularly appears as "Candy" on the Bonanza series.

We welcome this chance to use local talent, and would like to extend our appreciation to Dave Canary and his parents for their cooperation.

The 1969 edition of the Perry Panthers smashed almost every record in the book. Their prime concern was to win each game, but one at a time. They did this in convincing fashion and achieved bigger goals. In addition to posting an undefeated season and capturing the Federal League crown, the Panthers were ranked thirteenth in the final Class AA Associated Poll. This was the highest ranking ever for a Federal League team.

Squad members received more individual honors than ever before with Tim Laps, Harvey Sword, Chuck Barton, John Kropf, Jim Gilbert, and Jim Hambach gaining all-county honors. The most coveted award of all, Stark County's Most Valuable Player, was bestowed upon Tim Laps.

The 1969 Panthers established a winning tradition with which succeeding Panther teams will find inspiration.

undefeated season boasted by reserves

Although working in the shadows of the outstanding 1969 varsity, the reserve players distinguished themselves with an undefeated 8-0-1 record. Powered by superb passing from quarterback Denny Hogue and skilled running from back Vince Mozzocca, the formidable reserve squad bowed to no one. The tough reserve defense should also be credited, holding their opponents to an average of twelve points per game. It is these reserves who will form the backbone of the 1970 Panthers.

varsity hoopsters pick momentum and gain winning scores

With only two returning lettermen, the first year juniors stepped in and took charge of the court. Getting off to a slow start, the Panthers matured steadily and became one of the more formidable teams in Stark County.

Averaging over 11 points per game Mike Stewart led the team with 222 points. Steve Meredith led the team in recoveries with 79 and in foul shooting hitting 67.6 per cent from the line. Other team leaders were Mike Butler with 181 rebounds and Jack Schultheis with 22 assists. reserves gain valuable experience

Preparation is the key word of the reserve basketball team. Composed of sophomores, the reserves gained valuable playing experience and poise. panthers cop fourth federal league crown

The Panthers recaptured the 1969 Federal League Championship by compiling a 13-1 league record. Consistent efforts of pitching, base running and hitting allowed the team to rule the circuit in the performance and style of the past seasons.

Craig Day, Tom Sims, and Dan Bing led an attack which broke the season's batting average of 312.

A stingy pitching staff, headed by Jeff Lessig and Rich Barnhart, combined their power for an unbelievable .077 earned run average.

tracksters finish strongly

The Panther cindermen of 1969 got off to a slow start, but through hard work developed into a fine track squad.

Lead by Dan Atkinson, the Panthers severed several records. Atkinson, the tracksters' most valuable player for 1969, holds records at New Philadelphia relays and the Federal League relays, along with the school record. Dan came in first in 11 out of 12 times and took Perry High's first, first place in a district track meet along with 5th place in the Regional at Worthington.

The Panthers' high hurdler, Rich Love, cracked the high hurdle record.

Underclassmen, Paul Morey, Lou Novy and Tim Laps figure strongly in the Panther Track squad of 1970.

Determination is on Scott Lloyd's face as he propells himself during the high jump.

The 1969 Perry Golf Team, piloted by a contingent of enthusiastic sophomores, ended the season with eight varsity wins. Terry Evans and Mark Grovemiller accounted for half of the thirty-eight individual victories. Jim Doyle, most valuable letterman, played a magic part in the establishment of two new school records — best varsity match and best varsity score. Doyle also led the team as the most times medalist with nine wins.

Cheering our teams onward, our 1970 cheerleaders lead us during our pep rallies. During the past year the cheerleaders accomplished many activities. In the summer months, their time was taken up at Kent State University and Hartland Michigan Camps. At Kent State, both varsity and reserve won ribbons. At Hartland, the varsity cheerleaders came in third and fourth places. In the fall, the bake sales and paper drive occupied their time. Besides cheering at pep rallies and games, our cheerleaders traveled to WHLO, who acknowledged them with a trophy at the annual football banquet.

The Cooperative Office Education program is designed to give seniors actual work experience in an office-related job. These students attend classes in the morning and work in office jobs during the afternoon.

This year at the Third Annual Convention at Atwood Lake Lodge, Yvonne Davis was selected as Vice-President of Region III. She is also a candidate for State Vice-President in Columbus.

There were many highlights in C.O.E. this year. The fun during the paper drives, candy sales, Tom Wat sales and employer-employee banquet will not soon be forgotten.

Perry C.O.E. members represent Region 3 with great pride.

key club projects aid school and community

The bonfire pep rally before the Glenwood game was a great success.

The Key Club is an organization whose projects are oriented toward service to the school and community.

The largest money-making project is printing and publishing of the football programs. They also sponsor the Pigskin Prom and Glenwood bonfire pep rally.

Community contributions include collecting donations for the Red Cross and the Heart Fund. The club also offers their services to the Cerebral Palsy Center.

Audio-Visual equipment is in good hands with Kim Tollin, Gene Hillebrecht, and Bob Bayley.

Perry's A. V. Department's main objective is to serve the school and community. Their main service is to show films and operate other audio-visual equipment. Other activities include working on stage productions as lighting and sound crews as well as at pep rallies and athletic events.

This year, the A.V. members are in charge of the closed circuit television network and video tape units which have outlets in each room.

le cercle francais est très amusant

French students prepare food baskets for needy families.

Le Cercle Français consists mainly of French students who wish to learn additional information concerning French culture and the mores of the people. The club accomplishes this by inviting speakers and showing films or slides explaining the France of Yesterday and today.

In addition to these activities, the club's social events consist of a fall hayride, a Christmas party, and a field trip to a university to observe a complete language department. Annually, club members send food baskets to a needy family living in Perry Heights.

Latin Club members display traditional costumes at their annual Christmas party.

The Latin Club projects a dramatic insight into Roman History by having a Roman banquet complete with costumes and a slave auction each year.

At Thanksgiving time the club collected food which was used as their community project in helping a needy Family.

Latin students also performed before the French Club at their Christmas party in December. Their production consisted of an explanation of the Roman holiday and the singing of carols in Latin.

fta members learn classroom skills

Future Teachers of America is a group which encourages interest in the teaching field. Members are some times asked to substitute for absent teachers in the elementary and high schools. Future Teachers acquaints its members with a realistic view of teaching as a profession and provides preparation for their future career.

Helping a third grade pupil at Genoa Elementary School, in the absence of his teacher, is Sue Young.

Future Secretary, Mary Minard, takes dictation from Mrs. Cain.

The Future Secretaries of America strive to create interest in business and the business world. Speakers and programs help members to set goals in a business profession. F.S.A. is made up of secretarial-vocational students who are above average in scholastic achievement.

creative minds grow with experience.

Quill and Scroll is an international honor society for high school journalists. The Clock and Panther's View staffs are combined to form this particular club. To qualify for membership, the journalist must meet each club's requirements. The Panther's View requires members to have one hundred column inches published in the View. The Clock requires twenty-four working hours and the selling of one hundred dollars worth of advertising.

In May, Quill and Scroll sponsors a publications banquet which honors those members who have contributed to their organization.

Quill and Scroll members relax after a hard day's work.

The yearbook provides first hand experience for the high school student in the fields of creative writing, salesmanship, advertising, business management, photojournalism, and artistic design.

The job of publishing the "Clock" began last May, and continued throughout the summer and this school year. Since the book depends heavily upon its advertisers, everyone on the staff becomes salesman. Each editor is responsible for a particular section of the book, and is chosen for ability. As our book is primarily a picture book, the photographer is a very central person. Other jobs include copywriters and proof readers, not to mention the many other jobs that somebody has to do.

This year's "Clock" is the culmination of a full twelve months' work.

The yearbook staff is proud to say that its members are of the highest caliber found at Perry High School.

pep buttons boost school spirit

Perry's Hi-Y Club creates, maintains and extends Christian character throughout the school, home and community.

This year, the club's service project was to sell "This is Panther Country" pep buttons during basketball season. The Hi-Y also contributes to the World Service Program which establishes Y.M.C.A. organizations in foreign countries.

Selling tickets for the WHLO vs. Perry faculty game was another Hi-Y activity exhibited by Gary Isler to Sherry Shulok.

The Perry Guidance Department, under the direction of Mrs. Beifuss, Mr. Kirkland and Mr. Houk, distributes vocational information, aids in student employment, and computes point averages. As counselors they do personal and group counseling, testing, issue applications for working permits, advise students in selecting colleges and sponsor an annual College Night, at which time representatives from several colleges appear as guest speakers. Many students take advantage of, and benefit from the services of this department.

Bruce Shelley, *Vocal Music Director*

The Vocal Music Department, under the direction of Bruce Shelley, consists of members of the A Cappella Choir, Mixed Choir, Girls' Glee and the Perry Pipers. The vocalists strive to make their particular organization the very best around, by combining their talents and skills to produce a professional sound.

Perry Pipers, the ensemble group of the department, display their talents not only at school functions but also for many outside activities. They have been asked to sing for the Massillon State Hospital, North Canton Library dedication, and the Stark County Teachers Association. The twenty-four members sing selections from Bach to Bachrach and serve as ambassadors of Perry High School.

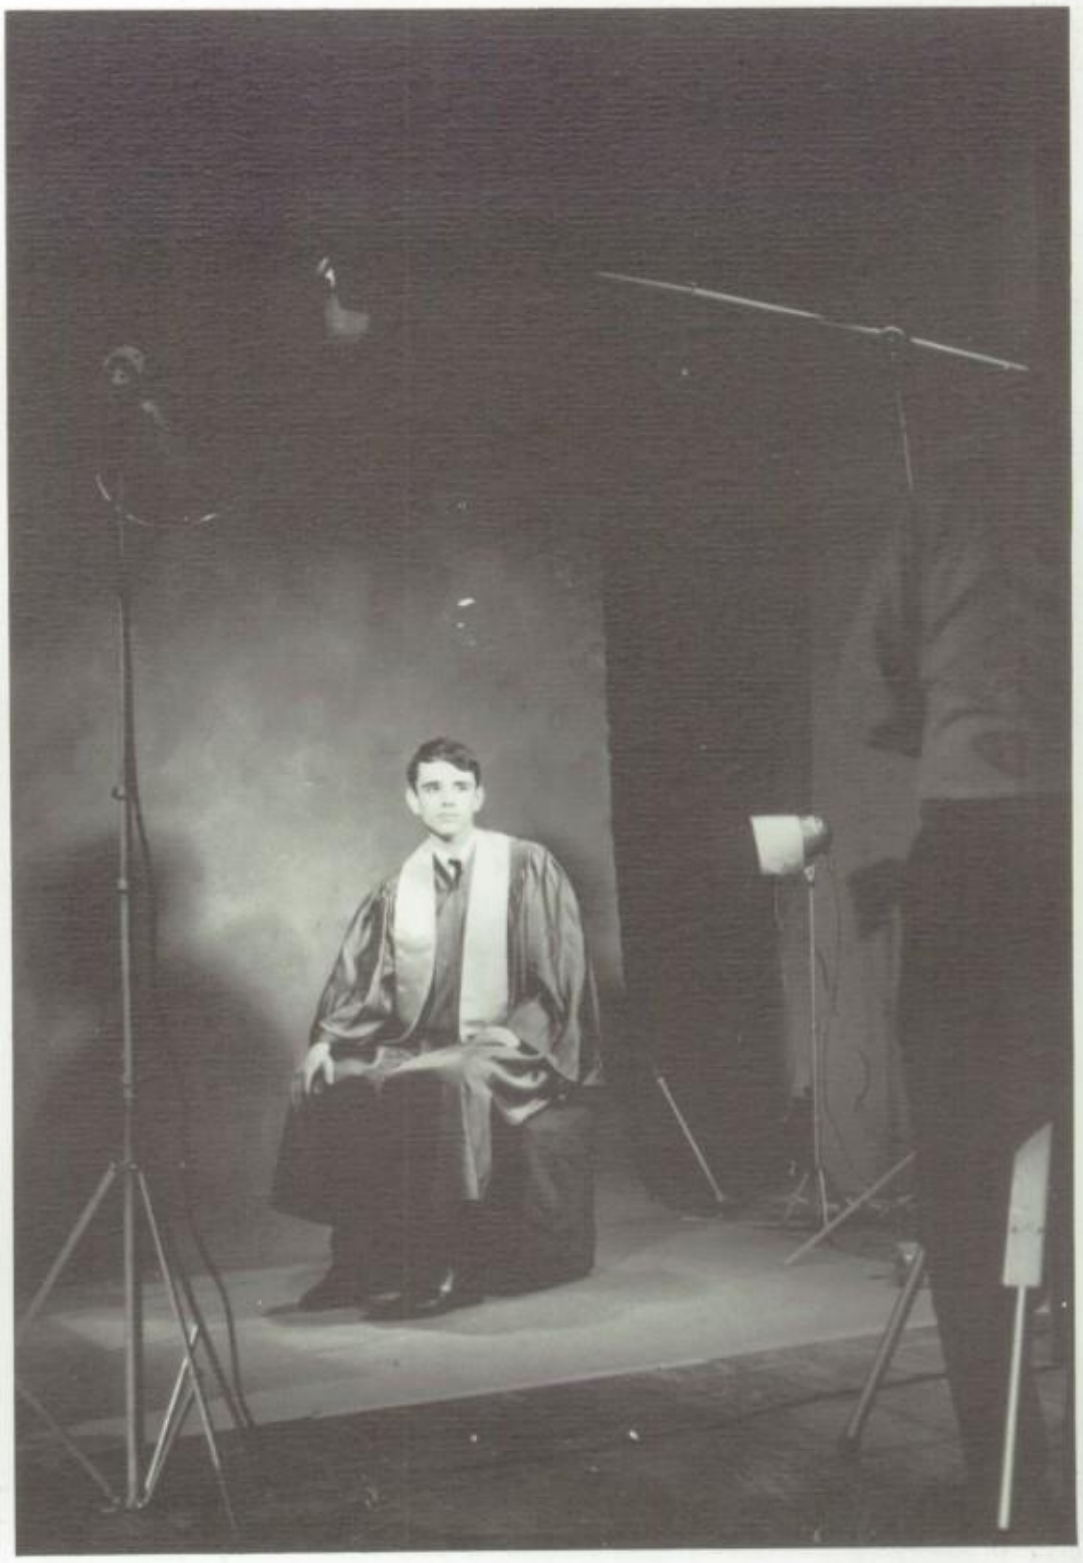
vocal music sings out



A game of tug of war was played between Jackson's polar bear mascot and head majorette Lux and the Perry panther and Kris Heist.

majorettes capture spotlight during performances

Kris Heist, *Head Majorette*

MAJORETTES — KNEELING: Barb Netling, Kris Heist, Pam Rose. STANDING: Debbie Klick, Marti Stockdale, Vicki Reiter, Nancy Beard.

Perry's majorettes stepped high in front of the band leading its way down the football field. These girls, under head majorette Kris Heist's direction, were featured in spotlight dancing and twirling routines which captivated the fans during the half-time shows. Many hours of patient practice and acquired skills enabled them to present the entertaining performances.

Perry is proud to have such fine majorettes leading its band.

Ted Wenger, *Director*

Tom Hodgson, *Assistant Director*

The sights and sounds of Perry's three outstanding bands add enthusiasm throughout the school.

The marching band not only backed the Panthers to a 10-0 season at football games, but also gave an outstanding show of ability at the Stark County Fair, Hall of Fame Parade and a number of band shows.

Both concert and stage bands gave a superb showing at numerous school functions such as student assemblies and bands-in-the-round. The concert band consists of 76 members, and the marching band, 94 members.

Long hours of hard practice go into the making of the P.H.S. stage band.

STAGE BAND — BOTTOM ROW: Greg Parsons, Kris Heist, Randy Shafer, Brenda Kross, Madge Harrison, Mark Schmaucher, Greg Hill, Ron Lewton, Steve Clinger, Ken Longwell. ROW 2: Ginny Smith, Peg Hiltner, Mickey Berger, Ann Nicholas, Jeff Dickinson, Don Briggs, Gary Berger, Mr. Ted Wenger, director, Shirley Smith, Steve Negulic.

in memoriam

It is not growing like a tree
In bulk, doth make man better be;
Or standing long an oak, three hundred year,
To fall a log at last, dry, bald, and sere;
A lily of a day
Is fairer far in May,
Although it fall and die that night —
It was the plant and flower of light.
In small proportions we just beauties see;
And in short measures life man perfect be.

See,
I've really enjoyed being friends with you and I hope that it will be that way forever. Be good and be yourself. Good Luck and God Bless
STAY PURPLE
Greta Ressler

We've learned one thing about profit.

If you can't make a little of it... you can't make much of anything.

Profit is what keeps a company's wheels turning. So it can keep turning out the products its customers rely on.

And our wheels have been turning continuously for seventy years.

Profit pays for our research and development. It helps us discover new bearing and steel uses.

Profit pays for new facilities. And it pays for the people who have helped to make the profit.

Can you help? Do you have the training and determination it takes to meet the challenges of today's moon-rocketing technology? When you graduate, come see us. And if you plan to go on to college, remember us for the future.

The Timken Roller Bearing Company, Canton, Ohio 44706. An Equal Opportunity Employer.

TIMKEN®

REGISTERED TRADEMARK

Timken bearings sold in 133 countries. Manufacturing in Australia, Brazil, Canada, England, France, South Africa and U.S.A.

The more we know... the more there is to learn

Education is like opening an endless series of doors. Behind each succeeding door lies new and exciting territory waiting to be explored. Finding the answer to one question opens the door to a myriad of related questions. Continuing to learn can be like spending the rest of your life unwrapping a surprise package. We know because we've been doing it throughout our corporate life. Every time we've thought we knew all there was to know about appliances, we've come upon 101 new questions looking for answers. It's sometimes difficult. It's always challenging. And it's always interesting. And we're sure an important reason for Hoover appliance leadership is that we've never thought of ourselves as know-it-alls.

Man is challenged today to excel in almost every endeavor . . . those who do succeed often trace the beginnings of their performance pattern to accomplishment in high school and to those who offered stimulation and inspiration in these formative years. **Josten's** has long been a partner to these educational leaders in providing a means of motivation and the rewards of recognition, and **Josten's** products have become tangible symbols honoring perseverance and achievement.

The class ring is representative of the fine traditions of school spirit and unity ☐ The yearbook provides a lasting memento of the year's accomplishments ☐ The diploma is a lifelong record of scholastic success ☐ The graduation announcement heralds this achievement ☐ Awards recognize academic and athletic leadership.

afterword

If we may be sentimental at any time in the yearbook, this is the time and place for it. Especially for the seniors, this book will mean a good deal in the years to come. It will be their only material contact with their high school days.

This is the reason that we on the "Clock" have gone to so much trouble to produce a book that covers, as much as possible, the total school year of 1969-70.

Our theme this year does not indicate that we advocate astrology. We have adapted the meaning of the Zodiac calendar to exemplify the full range of personalities that one has encountered in high school.

It is our earnest hope that in later years, this book will call to mind an accurate picture of this past year at Perry — of classmates, teachers, and events.

. . . Bob Bayley

Susie,
Ya a really sweet girl & got to know pretty well this year. Always remember our Swingin' gym class! How could you forget, huh?? Good luck in the future and be good! Hiki Doeth

Susie -
Ya a really neat girl & met a few years ago. Keep your wits, and smile and you're sure to succeed!
